

#TheNextGenOfAmgen

You are the future.
And this is where
it starts.

Alicia Urutia
Senior Manager, Talent Acquisition

DEFY IMAGINATION

University Relations

We're committed to discovering talent and nurturing individuals who can contribute to our mission of dramatically improving people's lives.

We offer internship opportunities in most company functions, including Marketing, Operations, Finance and Strategy, Research and Development, Information Systems, and other challenging areas.

Through our internship programs, we share knowledge and build relationships with qualified students from a variety of majors.

Paid internship assignments are designed for undergraduate and graduate level students and provides guidance and mentorship during the 10- to 12-week internship.
